## HEALTH NURSE UPDATE

Term 1 is almost over and the school break is nearly here!!

There has been a problem in the community with **scabies**. If your child is itchy and scratching – particularly in bed or after a warm bath, or has any sores that won't go away; please ask for some help. The school can contact the public health nurse, or you can ask your family doctor.

Could we please ask all families to be aware of **boils or open wounds**. This applies to students who are swimming or not.

**Headlice** is an ongoing challenge!! Wet combing is the easiest way to keep headlice away. Please check your children and if you have any questions or queries about headlice, or any of the above please contact me, or ask the school to call Alex Long 09 839 0000 ext 7757 or [Alexandra.long@waitematadhb.govt.nz](mailto:Alexandra.long@waitematadhb.govt.nz)
