BOARD MEMBER REQUIRED

In light of the recent resignation of a Board member and with due process having been followed I am pleased to announce Colwill School Board of Trustees is now in a position to select a new member, this is a rewarding position within the school and the board is looking for a person who will compliment their current skill set and dynamics.

Would anyone interested in becoming a member of the board please complete the form below and leave it at the office. Ideally we would like to select one member and co-opt another so there are two positions available, if you require more information please contact the Principal or Board Chair.
