MOIRE PARK CLEAN UP

Holey Moley what a lot of rubbish in Moire parks bushes! Today, the 24th March the Harakeke team went to Moire park at 9:30am. We went there to pick up rubbish and keep our environment clean.

On Thursday 24th march the Harakeke team walked to Moire Park. We gathered on the concrete stairs outside the rugby club. Then we divided into 4 groups. Each group got divided in half. There was one leader per group. Our leader was Mrs Chase. Each group was assigned to certain areas or locations of the park. Mrs Chase's group was assigned to the back field bushes.

Afterwards Mrs Chases group was assigned to the backfield bushes. We collected drink bottles, glad wrap, foil, a table, pipes, poles, paper and broken containers. We collected one large black rubbish bag. Later on all we met back to the rugby club.cont

In conclusion I felt exhausted because it was hot and stuffy but at the same time I was happy with what we'd done. We achieved our goal by picking up rubbish at our local park to keep our environment clean. The highlights of the day was that we found a pear tree and an apple tree and then we were getting a chocolate cake for all our effort.

SAMOAN PRE-SCHOOL VISIT

Colwill School enjoyed an exciting morning at our local Samoan pre-school Kava Ceremony on Friday 3rd June.

Maluelue, Elena, Cyrus, Oleana, Michael, Lumani and Katrina represented our School as our Samoan ambassadors. Lumani made an excellent speech in Samoan to the gathering. Here is the speech he made:
