The crowd was as quiet as a fly tip-toeing past. Rahwa strolled onto the stage.

Byron Leslie.

I was really nervous. My heart was beating really fast and my legs were shaking.

Luket Sripeng.

I felt like a lonely ghost with no friends to talk to

Nga Meh Aye.

I was proud of myself because I think I represented the Pohutukawa Whanau's assembly pleasantly.

Jodi Powell.

Mr Sperber was about 6 foot with a bushy beard and black hair. He wore an earring in his ear and dark blue overalls.

MEASLES

Auckland Regional Public Health Service is advising all schools and Early Childhood Education Centres that there is currently a measles outbreak in Auckland.

Measles is a serious and highly infectious disease even before they start to feel unwell.

Immunisation against measles is the best protection and is free for all eligible people-and we need your help to prevent further transmission of the measles virus.

Recommendations:

- Keep your immunisation registers up-to-date and accurate
- Keep any children who are unwell away from school.
