Vouchercode Books

Dear Parent/ Caregiver.

These books have been donated to Colwill School by Voucher Code because of the great job we did with selling seeds this year.

We have given one to each child for them to be able to enjoy some wonderful discounts over the coming school holidays.

We are asking for a small donation of **\$5.00** for this book.

Please give this money to your teacher.

So far we have raised enough money to be able to purchase some new basketball hoops for the school, which we should see next term.

Thank you to all of you who have helped to make this happen.
