Dear Colwill School Massey Families

We would like to thank you for your ongoing support with our procedures over the last exceedingly difficult 15 months. This has been an interesting learning curve for all of us.

As of Monday, the 24<sup>th</sup> May we will be relaxing a couple of our policies regarding pick up and drops off. New changes are below.

- All parents are welcome to escort their children to and from their child's classes before and after school should they choose to do so.
- Breakfast will be available in the Hub from 7:30am
- All morning access will be via the Kintara Drive entrance. Gates will be open from 8:00am and closed once school starts at 8.50am. We request that all adults please remain vigilant with scanning in.
- Anyone needing to enter the school between 9:00am and 2:45pm please do so via the office. Please scan the COVID QR Code, hand sanitise and sign the visitors register.
- To assist us to ease the congestion on Kintara Drive in the afternoon, the Colwill Road gate is now open. Please consider this as an alternative option for your family.
- Gates will be open at 2.45pm for Colwill parents and will be closed at 3:15pm as staff often have meetings at this time.
- If you wish to have a meeting or discussion with your child's teacher please make an appointment via email.

We really appreciate your efforts with all of this.

Regards
