Activities that the school has been doing this past week!

Last week **Room 12** Made mini pizzas. They made their own dough using a scone recipe and used healthy toppings.

Room 12 Mini Pizzas

Pizza Dough	Toppings
2 Cups of Self Raising Flour	Pizza Sauce or Tomato paste
$\frac{1}{2}$ teaspoon of salt	Grated Cheese
$\frac{1}{2}$ Cup of Milk	Cherry Tomatoes
Toppings	Mushrooms
	Spring Onion

Method

Preheat oven to 220 C. Cover a baking tray with a sheet of baking paper.

In a large bowl mix the pizza dough ingredients to form a soft dough. With floured hands break this into eight small balls of dough. Roll these balls out flat using your hand.

Spread some pizza sauce or tomato paste over the base of your mini pizza bases. Place a small amount of grated cheese on top. Add your other chosen toppings and then cover with more cheese.

Bake for approximately 20 minutes until puffed up and golden brown. Let them cool for a minute or two, then eat. Enjoy!

Room 21 made some cats in art to help them find words that start with the 'c' sound around the class and school.

Room 14 students are experiencing how a tornado is formed.
