Covid Bulletin

Due to Covid, it is undeniably important we have the correct contact details for our families. This helps us contact you in case of covid related issues or other school-based needs.

You can update details at any time on the school website.

During this time, it is also extremely vital that you please keep your child home if they are feeling unwell.

Please let the office know of any absences.

Room13

Room 13 put their baking skills to the test. They carefully measured out all the ingredients to make chocolate crackles. What a fun way to learn Math Skills! The best part, they got to eat their creations!

Homework

Homework contracts have been sent home.

Please read over and complete

Alternately it is available on school loop under permission slips for parents to sign.

Caught Being Good!

Selati and Denzel were caught being good! Both children will receive a beautiful book to keep thanks to our sponsor Duffy Books.
