## TE IWA O *Matariki*

Matariki is a special occasion in the New Zealand calendar which marks the start of the Māori New Year.

Signified by the Matariki cluster of stars reappearing in our night sky, this is a time to reflect on the past year, celebrate the present, and plan for the year ahead.

We now have a public holiday to celebrate Matariki each year. This year it falls on Friday June 24<sup>th</sup>, there will be no school for all students.

## MATARIKI STARS

Students have been learning all about Matariki with their teachers. The budding artists in room 21 got to decorate a beautiful star of their own. Ātaahua!
