

# COLWILL MASSEY

Term 1

Week 4

## IMPORTANT ANNOUNCEMENT

Teachers Paid Union Meeting  
Tuesday 28th February  
School will close at 1pm.  
There will be NO study centre.

### Room 12

Room 12 started this year with some serious Science! In the first week of school, they poured the contents of a small sachet that arrived all the way from America into a glass of purified water. It was Brine Shrimp eggs, also known as Sea Monkeys! Did you know that eggs can survive for up to 25 years?

We wrote our questions: How many will hatch? Our hypothesis? Seven! Fifteen! Heck, somebody said 10,000! They are the official pets of Room 12 and you're welcome to come to see them!
