Carefully following the instructions and measuring out the ingredients to the formula, we mixed it all together by giving it a big shake. It fizzes on your tongue all bubbly and weird. Some of us thought it was really YUCK! Some of us thought it was YUM. But we all thought it was fun to make.

1. Take a small paper bag each.
2. Use a teaspoon to measure the following ingredients into your bag:
 - 1/2 teaspoon of citric acid
 - 1 teaspoon of icing sugar
 - 1/2 teaspoon of flavour
 - 1/4 teaspoon of baking soda
3. Mix all the ingredients together.
4. Taste a small amount of the sherbet.
